Item 1.01 Entry into a Material Definitive Agreement

On November 14, 2018, Armstrong Flooring, Inc., a Delaware corporation (the “Company,” “we,” “our,” or “us”), entered into a Stock Purchase Agreement (the “Purchase Agreement”) with Tarzan Holdco, Inc., a Delaware corporation and an affiliate of American Industrial Partners (the “Purchaser”). Pursuant to the terms and subject to the conditions set forth in the Purchase Agreement, the Purchaser will purchase all of the issued and outstanding shares of Armstrong Wood Products, Inc., a Delaware corporation (“AWP”), including its direct and indirect wholly owned subsidiaries, Armstrong Hardwood Flooring Company, a Tennessee corporation, and HomerWood Hardwood Flooring Company, a Delaware corporation (collectively, the “AWP Subsidiaries” and, together with AWP, the “Target Companies”), from the Company for \$100 million in cash, subject to adjustments for (a) the cash and cash equivalents and indebtedness of the Target Companies at the time of closing and (b) the working capital of the Target Companies delivered at the closing as compared to an agreed upon working capital target provided in the Purchase Agreement (such transaction, the “Sale”). The Target Companies operate the wood business segment of the Company, which is primarily engaged in the design, manufacture, sourcing and sale of solid hardwood flooring and engineered wood flooring products (the “Business”).

Consummation of the Sale is subject to the satisfaction or waiver of certain closing conditions, including but not limited to (i) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act, (ii) the assignment of certain assets by the Company or one of its subsidiaries to AWP or an AWP Subsidiary, (iii) the consent of Armstrong World Industries, Inc. (“AWI”) to permit the Purchaser to use the Armstrong trademark for a specified period and to enter into a sublease with the Purchaser for space subject to AWI’s master lease to the Company; and (iv) other customary closing conditions. The Sale is not subject to any financing condition. The closing of the Sale will occur on December 31, 2018, unless the Company and the Purchaser agree to close the Sale on another date, or the conditions to closing are not satisfied, in which case the Sale will be consummated on the next Business Day when such conditions are satisfied.

The Purchase Agreement contains certain termination rights for the Company and the Purchaser, including the right to terminate: (i) by either the Company or the Purchaser if the closing of the Sale does not occur by May 6, 2019 (subject to automatic extension to June 6, 2019 if all the closing conditions, other than the condition that the parties have obtained the required regulatory approval, have been satisfied); (ii) by mutual consent of the parties; (iii) if there has been any order that is final and non-appealable prohibiting the performance by either party of its obligations under the Purchase Agreement; or (iv) under certain circumstances, if either party has breached certain representations, warranties or covenants. There are no termination fees included in the Purchase Agreement.

The Purchase Agreement contains customary representations, warranties and covenants by each party. These covenants include, among other things: (i) the Company’s obligation to cause the Target Companies to operate in the ordinary course during the period between the signing of the Purchase Agreement and the closing (the “Interim Period”); (ii) customary covenants requiring the Company and the Target Companies to abstain from certain actions during the Interim Period; (iii) that the Company will cause all liens related to the Company’s existing credit facility to be released with respect to the Target Companies; (iv) certain obligations by the Company to provide post-closing insurance coverage to the Purchaser for pre-closing claims related to the Target Companies; (v) an obligation for each of the parties to use reasonable best efforts to obtain the regulatory approval described above; and (vi) and obligation for the parties to effect certain separation matters related to the separation of certain assets and liabilities of the wood business from the Company and the vesting of those assets and liabilities in the Target Companies prior to the closing.

The Company and the Purchaser have agreed to abstain from the following actions subsequent to the closing of the Sale, including: (i) the Company will not engage in the Business for five years post-closing, subject to certain exceptions, and (ii) each party agrees, for eighteen months after the closing, not to solicit the employees of the other party, subject to ordinary course exceptions.

In addition, the Purchaser has agreed to obtain a representation and warranty insurance policy in connection with the Sale, which will provide coverage for certain representations and warranties of the Company contained in the Purchase Agreement, subject to exclusions, policy limits and certain other terms and conditions.

Pursuant to the Purchase Agreement, prior to the closing, the Company and the Purchaser will enter into agreements relating to (i) the Company's provision, after the closing, of certain services to the Purchaser pursuant to a transition services agreement; (ii) a sublicense to the Purchaser by the Company of certain specified rights to use the Armstrong trademark and other intellectual property; (iii) a sublease to the Purchaser of office space at the Company's headquarters; and (iv) an economic benefits agreement, pursuant to which the Company will provide certain benefits to the Purchaser under contracts that were not able to be assigned to the Purchaser at the closing.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference. The Purchase Agreement contains representations and warranties by each of the parties to the Purchase Agreement, which were made only for purposes of that agreement and as of specified dates. The representations, warranties and covenants in the Purchase Agreement were made solely for the benefit of the parties to the Purchase Agreement; are subject to limitations agreed upon by the contracting parties, including being qualified by a confidential disclosure letter, materials in the data room and the contents of reports prepared by the Purchaser's legal and financial advisors; may have been made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts; and are subject to the standards of materiality applicable to the contracting parties that may differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the Company, the Purchaser or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Item 2.05 Costs Associated with Exit or Disposal Activities

As described in Item 1.01, the Company and the Purchaser entered into the Purchase Agreement on November 14, 2018, pursuant to which the Company plans to sell the Target Companies to the Purchaser for \$100 million in cash, subject to adjustments for (a) the cash and cash equivalents and indebtedness of the Target Companies at the time of closing and (b) the working capital of the Target Companies delivered at the closing as compared to an agreed upon working capital target provided in the Purchase Agreement. As part of recognizing the Business as held for sale in accordance with generally accepted accounting principles, the Company is required to measure the Business at the lower of its carrying amount or fair value less cost to sell. The Company will complete this assessment in the fourth quarter of 2018. The Company expects the assessment to result in a non-cash loss on disposal of \$160 million to \$200 million. This charge will be recorded as part of discontinued operations in our financial statements.

The Company estimates that it will incur a total of approximately \$5 million of expenses related to the sale of the Business, consisting primarily of advisory fees, severance, transition and closing related costs. These expenses will be recognized in the fourth quarter of 2018. The Company may incur additional costs associated with the sale of the Business as the foregoing costs are estimates and subject to change.

Item 2.06 Material Impairments

The information required by Item 2.06 is included under Item 2.05 of this Current Report on Form 8-K and is incorporated herein by reference.

To the extent that amounts are so deducted and withheld, such amounts shall be treated for all purposes of this Agreement as having been delivered and paid to such Person in respect of which such deduction and withholding was made. Buyer shall bear any amounts withheld or deducted under this Section 2.4 that arise solely as a result of an assignment of this Agreement by Buyer pursuant to Section 10.8 to the extent such withholding or deduction cannot be reduced or eliminated through the reasonable efforts of the parties.

Since December 31, 2017, there has not occurred, nor has there been any change or event which has had, or would reasonably be expected to have, a Material Adverse Effect.

4.9 Absence of Litigation. (a) Section 4.9 of the Disclosure Letter sets forth all claims, actions, suits, proceedings or, to the Knowledge of Seller, investigations of any kind, at law or in equity (including actions or proceedings seeking injunctive relief), by or before any Governmental Entity or by or on behalf of any third party (“Litigation”) pending or, to the Knowledge of Seller, threatened in writing against the Company, any Company Subsidiary or Seller (in respect of the Business) or affecting in any material respect any of its businesses, assets or rights, and (b) neither the Company nor any Company Subsidiary is a party or subject to, or in default under, any material Order.

4.10 Employee Benefit Plans.

(a) Section 4.10(a) of the Disclosure Letter sets forth a list of each material Plan and separately identifies each Plan which is sponsored or maintained by the Company or any Company Subsidiary in respect of any officer or employee of the Company or any Company Subsidiary (a “Company Plan”). (i) a copy of the plan document (including all amendments thereto); (ii) a copy of the most recent summary plan description and any current summary of material modifications; (iii) a copy of the most recent annual report; (iv) the most recent determination letter received from the Internal Revenue Service; (v) the most recent actuarial report and related financial statements with respect thereto; and (vi) copies of any written correspondence with the Department of Labor, the IRS or the Pension Benefit Guaranty Corporation (“PBGC”) received since the Compliance Date regarding audits or noncompliance with the Code or ERISA.

(b) (i) Each Company Plan and the Seller Retirement Income Plan has been operated and administered in all material respects in accordance with its terms and applicable Law, including ERISA and the Code and (ii) there are no proceedings (other than routine claims for benefits in the ordinary course of business) that are pending, or to the Knowledge of Seller, threatened against any Company Plan or the Seller Retirement Income Plan. All premiums, fees and administrative expenses required to be paid under or in connection with the Company Plans and the Seller Retirement Income Plan for the period on or before the Closing Date have been or will be timely paid.

(c) No liability under Title IV or Section 302 of ERISA has been incurred by Seller or any ERISA Affiliate that has not been satisfied in full, and no condition exists that presents a material risk to the Company or any ERISA Affiliate of incurring any such liability, other than liability for premiums due to the Pension Benefit Guaranty Corporation (which premiums have been paid when due). With respect to each Plan that is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code: (i) there has been no (A) failure by Seller or its ERISA Affiliates to make by its due date a required installment under Section 430(j) of the Code or any failure by any such Plan to satisfy the minimum funding standards (within the meaning of Section 412 of the Code or Section 302 of ERISA) applicable to such Plan, whether or not waived, for which Buyer or the Company would have any material liability; or (B) determination that any such Plan is, or is expected to be, in “at risk” status (within the meaning of Section 430 of the Code or Section 303 of ERISA); (ii) the fair market value of the assets of such Plan equals or exceeds the actuarial present value of all accrued benefits under such Plan (whether or not vested) on an on-going basis; (iii) since the last valuation date for each such Plan, there has been no amendment or change to such Plan that would increase the amount of benefits thereunder; (iv) no reportable event within the meaning of Section 4043(c) of ERISA for which the 30-day notice requirement has not been waived has occurred; and (v) the PBGC has not instituted proceedings to terminate any such Plan and, to the Knowledge of Seller, no condition exists that reasonably could be expected to present a risk that such proceedings will be instituted or that would constitute grounds under Section 4042 of ERISA for the termination of, or the appointment of a trustee to administer, any such Plan. None of Seller, the Company nor any ERISA Affiliate has within the six-year period preceding the date of the Closing had an obligation to contribute to a multiemployer plan as defined in Section 3(37) of ERISA, a multiple employer plan within the meaning of Section 210(a) of ERISA or a multiple employer welfare arrangement within the meaning of Section 3(40) of ERISA. Neither the Company nor any ERISA Affiliate has within the six-year period preceding the date of the Closing (x) withdrawn from any pension plan under circumstances resulting (or expected to result) in a material liability to the PBGC; or (y) engaged in any transaction which would give rise to a material liability of the Company or Buyer under Section 4069 or Section 4212(c) of ERISA or Title IV of ERISA. The consummation of the transactions contemplated by this Agreement will not, either alone or in conjunction with any other event, trigger any such withdrawal liability or any other liability for Buyer, the Company or their respective Affiliates under Title IV of ERISA.

(d) Each Plan intended to be “qualified” within the meaning of Section 401(a) of the Code has received a favorable determination letter or opinion letter from the Internal Revenue Service as to its qualification (or has submitted a pending application for such determination within the applicable remedial amendment period) and, to the Knowledge of Seller, no event has occurred that would reasonably be expected to result in disqualification of such Plan. Neither the Company nor any Company Subsidiary has engaged in a transaction with respect to any Plan for which they would reasonably be expected to have any liability (either directly or indirectly) for either a civil penalty assessed pursuant to Section 502(i) of ERISA or a Tax imposed by Section 4975 of the Code.

(e) No Company Plan provides welfare benefits, including, without limitation, death or medical benefits (whether or not insured), beyond retirement or termination of service, other than coverage mandated solely by applicable Law and all Plans providing such benefits may be unilaterally amended or terminated by the sponsor without liability, except as to claims incurred prior to amendment or termination and except as may be required by a CBA.

(f) Except as otherwise provided in this Agreement, neither the execution of this Agreement nor the consummation of the transactions contemplated hereby (either alone or together with any other event) will (i) entitle any current or former director, officer, or employee of the Company or any Company Subsidiary or any Business Employee to any material compensatory payment or benefit; (ii) accelerate the time of payment or vesting of any compensation or benefits with respect to any such director, officer or employee of the Company or any Company Subsidiary or any Business Employee; (iii) require the funding of any material compensation or benefits (through a grantor trust or otherwise) with respect to any such director, officer or employee of the Company or any Company Subsidiary or any Business Employee; or (iv) result in the payment of any amount that would, individually or in combination with any other payment, not be deductible as a result of Section 280G of the Code.

(g) Seller, the Company and the Company Subsidiaries, since the Compliance Date, (i) have calculated the hours of service for the Business Employees and any employees of the Company and any of the Company Subsidiaries in accordance with Section 4980H of the Code and the regulations thereunder and maintained appropriate documentation thereof and (ii) have or have made arrangements to properly document and report health insurance coverage information in compliance with Section 6055 and 6056 of the Code. This Agreement constitutes the valid and binding obligation of Buyer enforceable against Buyer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally and by general equitable principles.

5.3 No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Agreement by Buyer does not, and performance by Buyer of its obligations under this Agreement will not, (i) conflict with or violate the Organizational Documents of Buyer in any material respect, (ii) conflict with or violate, in any material respect, any Laws applicable to Buyer or by or to which any of Buyer's properties or assets are bound or subject, or (iii) result in any material breach of or constitute a material default (or an event that with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or require payment under, or result in the creation of a material Lien on, any of the properties or assets of Buyer, pursuant to any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which Buyer is a party or by which Buyer or any of its respective properties or assets is bound or subject, except as would not reasonably be expected to prohibit or materially restrict, impede or delay the consummation of the transactions contemplated by this Agreement.

(b) The execution and delivery of this Agreement by Buyer does not, and the performance by Buyer of its obligations under this Agreement will not, require Buyer to obtain any Consent of any Governmental Entity or third party except for applicable requirements of the HSR Act.

5.4 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Buyer or any of its respective Affiliates.

5.5 Absence of Litigation. There is no Litigation pending or, to the knowledge of Buyer, threatened in writing, against Buyer that, if adversely determined, (a) would prevent or materially restrict, impede or delay the performance by Buyer of its obligations under this Agreement or (b) would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the ability of Buyer to perform its obligations under this Agreement.

5.6 Sufficient Funds.

(a) As of the Closing Date, Buyer will have available to it sufficient funds (which funds, as well as the obligations of Buyer hereunder, shall not be subject to any financing condition or contingencies) to consummate the purchase of the Shares and satisfy all obligations of Buyer under the Agreement, including the payment of the Net Purchase Price and any associated expenses. Buyer has provided to Seller a true, correct and complete copy of the executed equity commitment letter (including all exhibits, schedules and annexes thereto) from the Equity Financing Source attached hereto as Exhibit D (the "Equity Commitment Letter"), pursuant to which the Equity Financing Source has committed to invest the amounts set forth therein (the "Equity Financing") and providing that Seller is an express third-party beneficiary thereof.

(b) The Equity Commitment Letter is in full force and effect and has not been withdrawn or terminated, or otherwise amended or modified in any respect, and no withdrawal, termination, amendment or modification is contemplated. The Equity Commitment Letter, in the form so delivered, is a valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto, enforceable in accordance with its respective terms against the

parties thereto. There are no other agreements, side letters or other arrangements of any kind relating to the Equity Financing other than the Equity Commitment Letter. No event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of Buyer under any term or condition of the Equity Financing, and Buyer has no reason to believe that it will be unable to satisfy, on a timely basis, any term or condition of Closing to be satisfied by it contained in the Equity Financing, or that any portion of the Equity Financing will be unavailable on the Closing Date. Buyer has fully paid any and all commitment fees or other fees required by the Equity Financing to be paid on or before the date of this Agreement. The aggregate proceeds from the Equity Financing constitute all of the financing required by Buyer to consummate the transactions and satisfy its obligations contemplated by this Agreement, including the payment of the Net Purchase Price, the payment of all associated costs and expenses, and the repayment of all Indebtedness as contemplated by Article III (including any required refinancing of Indebtedness of Buyer). The Equity Commitment Letter contains all of the conditions precedent to the obligations of the parties thereunder to make the Equity Financing available to Buyer on the terms set forth therein. The Equity Financing has not been withdrawn.

(c) Buyer acknowledges and agrees that its obligations under this Agreement are not subject to any conditions regarding Buyer's, its Affiliates' or any other Person's ability to obtain, or the availability of, any financing for the consummation of the transactions contemplated hereby.

5.7 Solvency. As of the Effective Time, after giving effect to all of the transactions contemplated by this Agreement, including, without limitation any related financing and the payment of the Net Purchase Price, including any adjustments thereto pursuant to Section 2.3, any repayment or refinancing of Indebtedness contemplated in this Agreement and payment of all related fees and expenses, and assuming for these purposes the accuracy of the representations and warranties set forth in Article IV hereof and the satisfaction of the conditions set forth in Sections 8.1 and 8.2, as of the Effective Time Buyer shall be Solvent. For the purposes of this Section 5.7, the term "Solvent" when used with respect to any Person means that, as of any date of determination, (a) the "fair saleable value" of such Person's assets will, as of such date, exceed (i) the value of all "liabilities, including contingent and other liabilities" of such Person, as applicable, as such quoted terms are generally determined in accordance with applicable federal Laws governing determinations of the insolvency of debtors, and (ii) the amount that will be required to pay the probable liabilities of such Person on its respective existing debts (including contingent liabilities) as such debts become absolute and matured, (b) such Person will not have, as of such date, unreasonably small capital for the operation of the businesses in which it is engaged or proposed to be engaged following such date and (c) such Person will be able to pay its liabilities, including contingent and other liabilities, as they mature.

5.8 Investment Intent. Buyer is acquiring the Shares for investment for its own account for investment only, and not with a view to any resale or public distribution thereof. Buyer shall not offer to sell or otherwise dispose of the Shares in violation of any applicable Laws to any such offer, sale or other disposition. Buyer acknowledges that (a) the Shares have not been registered under the Securities Act, or any state securities Laws; (b) there is no public market for the Shares and there can be no assurance that a public market will develop; and (c) Buyer must bear the economic risk of its investment in the Shares for an indefinite period of time. Buyer is an "accredited investor" within the meaning of Rule 501 of the Securities Act as presently in effect, and has knowledge and experience in financial and business matters such that it is capable of evaluating the merits and risks of acquiring and holding the Shares.

5.9 Legal Requirements and Approvals. Buyer has no knowledge of any Consent of any Governmental Entity that will be required to consummate the transactions contemplated by this Agreement that it will not be able to obtain or make, or that it may obtain only after substantial delay, or any material requirement of any Governmental Entity that it will be unable to satisfy in connection with the transactions contemplated hereby.

5.10 Knowledge of Breach. Buyer has no knowledge of any breach or inaccuracy of any representation or warranty set forth in Article IV hereof other than as set forth in the Disclosure Letter.

5.11 Inspection; No Other Representations. Buyer is an informed and sophisticated purchaser, and has engaged advisors, experienced in the evaluation and purchase of companies and businesses such as the Company, the Company Subsidiaries and the Business as contemplated hereunder. Buyer has undertaken such investigation and has been provided with and has evaluated such documents and information as it has deemed necessary to enable Buyer to make an informed decision with respect to the execution, delivery and performance of this Agreement and the transactions contemplated hereby. Buyer agrees to accept the Shares without reliance upon any express or implied representations or warranties of any nature, whether in writing, orally or otherwise, made by or on behalf of or imputed to Seller, the Company or the Company Subsidiaries, except as expressly set forth in Article IV of this Agreement. Without limiting the generality of the foregoing, Buyer acknowledges that neither Seller, the Company nor any of the Company Subsidiaries makes any representation or warranty with respect to (a) any projections, estimates or budgets delivered to or made available to Buyer of future revenues, future results of operations (or any component thereof), future cash flows or future financial condition (or any component thereof) of the Business, the Company and the Company Subsidiaries or the future business and operations of the Business, the Company and the Company Subsidiaries or (b) any other information or documents made available to Buyer or its counsel, accountants or advisors with respect to the Company, the Company Subsidiaries or any of their respective businesses, assets, liabilities or operations, except as expressly set forth in Article IV of this Agreement. In connection with Buyer's investigation of the Company and the Company Subsidiaries, Seller has delivered, or made available to Buyer and its Affiliates, agents and representatives, certain projections and other forecasts, including but not limited to, projected financial statements, cash flow items and other data of the Company and the Company Subsidiaries relating to the business of the Company and the Company Subsidiaries and certain business plan information of the Company and the Company Subsidiaries. Buyer acknowledges that there are uncertainties inherent in attempting to make such projections and other forecasts and plans and accordingly is not relying on them, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all projections and other forecasts and plans so furnished to it, and that Buyer and its Affiliates, agents and representatives shall have no claim against any Person with respect thereto. Accordingly, Buyer acknowledges that, without limiting the generality of Section 4.28, neither Seller nor any of its representatives, agents or Affiliates (including the Company and the Company Subsidiaries) have made any representation or warranty with respect to such projections and other forecasts and plans. For the avoidance of doubt, this Section 5.11 shall not prevent or limit a cause of action based upon, or relieve any party from any liability on account of, Fraud.

ARTICLE VI

COVENANTS

6.1 Affirmative Covenants of Seller. Prior to the Closing Seller shall, and shall cause the Company and each Company Subsidiary to, unless otherwise expressly contemplated by this Agreement or consented to in writing by Buyer (which consent, in the case of Section 6.1, shall not be unreasonably conditioned, withheld, or delayed) use commercially reasonable efforts to (i) operate the Business only in the ordinary course consistent with past practice, (ii) maintain relationships with customers, suppliers, landlords, lessors and licensors of the Business, the Company and the Company Subsidiaries, (iii) maintain the material assets of the Business, the Company and the Company Subsidiaries in their current condition, ordinary wear and tear excepted, and (iv) comply in all material respects with applicable Laws and the terms of all Leases. (a) other than as required by Law or as required pursuant to the terms of any contract or Plan as in effect on the date hereof and made available to Buyer (or pursuant to any amendment to such contract or Plan required by Law), (i) increase the compensation payable to or to become payable to any current or former director, officer or employee of the Company or any Company Subsidiary; (ii) accelerate the vesting or payment of any compensation or benefits of any current or former director, officer or employee of the Company or any Company Subsidiary; (iii) establish, adopt, terminate or amend in any material respect any Plan that would result in or increase a liability of the Company (or any plan, program, agreement or arrangement that would be a Plan if in effect on the date hereof) other than the Company Pension Plan and other than routine amendments to Plans affecting Seller employees generally (and not solely affecting Company employees); (iv) lend, pay or contribute any funds to any of its directors, officers, employees, Affiliates or Associates (other than compensation payable in the ordinary course of business or reimbursement of fees and expenses); or (v) take action to fund or secure any payments or benefits that are payable or to be provided to Business Employees under any Plan not otherwise required by the terms of the Plan in effect on the date hereof;

(k) acquire by merging or consolidating with, or by purchasing a substantial portion of the assets or securities of, or by any other manner, any material corporation, partnership, joint venture or other entity, in each case, for consideration in excess of \$500,000;

6.3 Access and Information. Subject to Section 6.4 and applicable Law, legal privileges (including, without limitation, attorney client privilege) and requirements to protect the confidentiality of competitively sensitive information, Seller shall, and shall cause the Company and the Company Subsidiaries to, from the date of this Agreement until the Closing or earlier termination of this Agreement pursuant to Article IX hereto, (A) afford to Buyer and its Representatives access at reasonable times during normal business hours under supervision of Seller's personnel to (i) the properties of the Company and the Company Subsidiaries and to the Books and Records thereof and furnish promptly to Buyer and its Representatives such information concerning the business, properties, contracts, records and personnel of the Business (including financial, marketing, operating and other data and information) as may be requested, from time to time, by Buyer, and (ii) management, employees and personnel of the Business, in each case of this clause (A), including in connection with the separation and transition of the Business, the Company and the Company Subsidiaries and actions required for effectuating that and (B) provide all necessary cooperation (i) to contact or communicate with the customers, suppliers or any other Person with a material business relationship with Seller, the Company, any Company Subsidiary or the Business and (ii) in connection with the separation and transition of the Business, the Company and the Company Subsidiaries and actions required for effectuating that. All requests for access pursuant to this Section 6.3 shall be made in writing and shall be directed to and coordinated with Donald R. Maier of Seller (or such person or persons as he may designate in writing to Buyer); provided, that any such access shall be conducted at a reasonable time during ordinary business hours, upon reasonable advance notice to Seller; provided, further, that such access shall not include the right to perform any environmental sampling, testing, investigation, assessments or similar work, but such access shall include reasonable access for surveyors to perform on-site survey work in connection with preparing and/or updating any ALTA or land title surveys of any portion of the Company Realty (the "Property Access"). Buyer shall, at its sole cost and expense, promptly repair any damage arising from or caused by any Property Access and shall reimburse Seller for any reasonable loss arising from or caused by any Property Access, and restore the assets of the Business, the Company, any Company Subsidiary or such other third-party property to substantially similar condition as existed prior to such Property Access, and shall indemnify, defend and hold harmless Seller and its Affiliates from and against any personal injury or property damage claims, liabilities, judgments or expenses (including reasonable attorneys' fees) incurred by any of them arising or resulting therefrom. Notwithstanding anything to the contrary contained herein, neither Seller, the Company nor any of the Company Subsidiaries shall be required to disclose to Buyer or its Representatives any information to the extent related to the sale process or Seller's evaluation thereof, including projections, financial, or other information related thereto, other than projections and financial or other information prepared in the ordinary course of business and not prepared for the sale process.

6.4 Confidentiality. From and after the date of this Agreement (including after the Closing Date), each of Seller and Buyer shall continue to comply with all of their respective obligations under the Confidentiality Agreement, dated as of April 16, 2018, between Seller and Buyer (the “Confidentiality Agreement”), which shall survive any termination of this Agreement in accordance with its terms. All information disclosed and access provided pursuant to Section 6.3 shall be subject to the terms and conditions of the Confidentiality Agreement.

6.5 Continuation of Indemnification.

(a) After the Closing, Buyer shall cause the Company and the Company Subsidiaries to continue to indemnify and hold harmless, to the fullest extent permitted by applicable Law, each of the Company’s and the Company Subsidiaries’ present and former directors, managers, officers, employees, and agents, in each case in their capacities as such, from and against all damages, costs, and expenses actually incurred or suffered in connection with any threatened or pending action, suit, or proceeding at law or in equity by any Person or any arbitration or administrative or other proceeding relating to the business of the Company and the Company Subsidiaries or the status of such individual as a director, officer, employee, or agent at or prior to the Closing, and in furtherance thereof to advance to such present and former directors, managers, officers, employees, and agents expenses associated with any such action, suit, or proceeding to the fullest extent permitted (a) by Law, (b) as would have been permitted by the Organizational Documents in effect as of the date of this Agreement, and (c) pursuant to any agreement that provides for indemnification by the Company or any Company Subsidiary for the foregoing Persons in effect as of the date of this Agreement which has been provided to Buyer prior to the date hereof. Buyer shall cause the Company and the Company Subsidiaries to retain or include in their respective Organizational Documents any indemnification provision or provisions, including provisions respecting the advancement of expenses, in effect immediately prior to the Closing for the benefit of each of the Company’s and each Company Subsidiary’s officers, managers, directors, employees, and agents and shall not thereafter amend the same in any material respect (except to the extent that such amendment preserves, increases or broadens the indemnification or other rights theretofore available to such officers, managers, directors, employees, and agents). If, after the Closing, the Company or any Company Subsidiary merges into, consolidates with, or transfers all or substantially all of its assets to another Person, then and in each such case Buyer shall cause the Company or such Company Subsidiary to make proper provision so that the surviving or resulting entity or the transferee in such transaction shall assume the obligations of the Company or such Company Subsidiary, as applicable under this Section 6.5. The obligations set forth in this Section 6.5 shall continue for a period of six (6) years following the Closing and shall continue in effect thereafter with respect to any action, suit, or proceeding commenced prior to the sixth (6th) anniversary of the Closing Date, and such obligations are intended to benefit each director, manager, officer, agent, or employee who has held such capacity on or prior to the Closing Date and is either a party to an indemnification agreement with the Company or any Company Subsidiary or now or hereafter is entitled to indemnification or advancement of expenses pursuant to any provisions contained in the applicable Organizational Documents.

(b) Seller shall cause the Company and the Company Subsidiaries to be added as covered divested entities under its Directors’ and Officers’ Liability, Employment Practices Liability, and Fiduciary Liability policies (collectively, “Management Liability”) by way of endorsements to the policies in effect at time of Closing. Such endorsements shall grant coverage to the Company and the Company Subsidiaries for pre-Closing wrongful acts only, of

the type covered by the Management Liability policies and shall remain on the current and subsequent policies purchased by Seller for a period of six (6) years after Closing and evidence of such endorsement shall be provided to Buyer upon each renewal thereof by way of a satisfactory certificate of insurance. However, if within six (6) years of the Closing Seller (i) shall merge or consolidate with or merge into any other corporation or entity and shall not be the surviving or continuing corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of their respective properties and assets as an entity or (iii) discontinued purchasing Management Liability, then in each case Seller will purchase “tail” coverage at such time for a period to include the remainder of the six (6) year anniversary date of the transaction providing coverage to the Company and the Company Subsidiaries for any applicable pre-Closing wrongful act of the type covered by the current policies.

6.6 Employee Matters

(a) For a period of at least twelve (12) months following the Closing Date (or, if earlier, the date of termination of the applicable Continuing Employee) (the “Continuation Period”), Buyer shall, or shall cause its Affiliates to, provide (i) each Business Employee who is employed by the Company or any Company Subsidiary as of the Effective Time (which for the avoidance of doubt, shall not include any Short-Term Disability Leave Employee except as provided below) (each, a “Continuing Employee”) with (x) at least the same level of base salary or hourly wage rate, as the case may be, that was provided to such Continuing Employee immediately prior to the Closing Date, and (y) annual cash target incentive opportunities that are substantially comparable in the aggregate to the annual cash target incentive opportunities in effect with respect to such Continuing Employee immediately prior to the Closing Date, and (ii) each Continuing Employee with other compensation and employee benefits that are no less favorable, in the aggregate, to those provided to such Continuing Employee immediately prior to the Closing Date (other than defined benefit retirement benefits, retiree welfare benefits and equity incentives). Notwithstanding the foregoing, the terms and conditions of employment for any Continuing Employee subject to a CBA shall be in accordance with such agreement to the extent required by Law. Following the Closing Date, Buyer shall offer, or cause its Affiliates to offer, employment to each Short-Term Disability Leave Employee if such Short-Term Disability Leave Employee returns to active status at work within the twelve (12) month period following the Closing Date (or such longer period as required by applicable Law) and upon their acceptance of such employment, such Short-Term Disability Leave Employee shall be treated as a Continuing Employee hereunder. Buyer and Seller shall reasonably cooperate in order to facilitate such offers and effectuate the transfer of employment of any Short-Term Disability Leave Employee to the Company or an Affiliate thereof.

(b) Notwithstanding the generality of the foregoing, Buyer shall, or shall cause its Affiliates to, provide each Continuing Employee whose employment is terminated during the Continuation Period with severance payments and benefits that are no less favorable than severance payments and benefits applicable to the Continuing Employee immediately prior to the Closing under the Plans set forth in Section 4.10(a) of the Disclosure Letter and designated thereon as a severance plan, guideline or practice.

(c) Buyer shall, or shall cause its Affiliates to, provide each Continuing Employee with full service credit for such Continuing Employee's service with Seller, the Company or any Company Subsidiary (including any predecessors thereto) prior to the Closing for all purposes, including for purposes of eligibility, vesting, benefit accruals and determination of the level of benefits (including for purposes of vacation, severance and retirement benefits) under any benefit plan sponsored or maintained by Buyer and its Affiliates in which such Continuing Employee is eligible to participate following the Closing (each, a "New Plan"); provided, however, that such service shall not be recognized to the extent that such recognition would result in the duplication of benefits. Effective as of the Closing Date, Buyer shall, or shall cause its Affiliates to, provide each Continuing Employee with coverage under a group health plan. With respect to such group health plan and each other New Plan that is a health or welfare plan, Buyer shall, or shall cause its Affiliates (including the Company and the Company Subsidiaries) to, (i) waive any limitation on health and welfare coverage of such Continuing Employee and his or her covered dependents due to pre-existing conditions, waiting periods, active employment requirements and requirements to show evidence of good health and (ii) credit each such Continuing Employee and his or her covered dependents with all deductible payments, co-payments and co-insurance paid by such Continuing Employee and his or her covered dependents under any Plan prior to the Closing during the year in which the Closing occurs for the purpose of determining the extent to which any such Continuing Employee and his or her covered dependents have satisfied any applicable deductible and whether such Continuing Employee and his or her covered dependents has reached the out-of-pocket maximum for such year. Claims incurred by the Continuing Employees under Seller's group health plan prior to the Closing Date (whether or not reported as of the Closing Date) shall be the responsibility of Seller and Seller's group health plan. Health and welfare claims incurred by the Continuing Employees on or after the Closing Date shall be the responsibility of Buyer or its Affiliates under a New Plan.

(d) As soon as practicable following the date on which Seller ceases to provide employee benefits and payroll services to Buyer with respect to the Continuing Employees under the Transition Services Agreement (the "FSA Transfer Date"), Buyer shall, or shall cause one of its Affiliates to, have in effect a flexible spending account plan in which the Continuing Employees shall be eligible to participate. As of the FSA Transfer Date, Seller shall inform Buyer of the account balance and payroll deduction election for each of the Continuing Employees on each applicable medical and dependent care account plans of Seller and its Affiliates (each, a "Seller FSA Plan") with respect to the plan year in which the FSA Transfer Date occurs, and, as soon as practicable after the FSA Transfer Date, (i) if the aggregate benefits paid by the Seller FSA Plan to the Continuing Employees prior to the FSA Transfer Date exceed the aggregate payroll deductions made in respect of the Continuing Employees at or prior to the FSA Transfer Date, then Buyer shall reimburse Seller for the amount of such excess or (ii) if the aggregate payroll deductions made in respect of the Continuing Employees prior to the FSA Transfer Date exceed the aggregate benefits paid by the Seller FSA Plan to the Continuing Employees at or prior to the FSA Transfer Date, then Seller shall reimburse Buyer for the amount of such excess; provided that Seller provides all information required to implement such payroll deductions in a timely manner.

(e) Buyer shall, or shall cause one of its Affiliates to establish as promptly as practicable following the Closing Date, a defined contribution savings plan intended to be "qualified" within the meaning of Section 401(a) of the Code ("Buyer 401(k) Plan") in which the Continuing Employees shall be eligible to participate. Buyer shall grant, or shall

cause its Affiliates and the Buyer 401(k) Plan to grant, past service credit for purposes of eligibility in and vesting under the Buyer 401(k) Plan. Buyer and the Buyer 401(k) Plan shall permit each Continuing Employee to effect a direct rollover (as described in Section 401(a)(31) of the Code, including with respect to any outstanding loans and related promissory notes) of all of any such Continuing Employee's balance under any existing tax-qualified defined contribution savings plan (including after-tax employee contributions) maintained by Seller in which such employees participate to the Buyer 401(k) Plan, subject to the terms and conditions of each such Plan.

(f) As soon as practicable, and, in any event, within ninety (90) days following the Closing Date, Buyer shall cause the Company to establish a defined benefit pension plan, effective as of the Closing Date, intended to be qualified under Section 401(a) of the Code (the "Company Pension Plan") with terms that mirror the Seller Retirement Income Plan for the benefit of active hourly Continuing Employees who are participants accruing benefits in the Seller Retirement Income Plan as of the Closing Date (the "Transferred Pension Plan Participants"). As soon as practicable following the establishment of the Company Pension Plan, Seller and the Company shall file with the IRS, to the extent necessary, proper notice on IRS Form 5310-A regarding the transfer of assets and liabilities from the Seller Retirement Income Plan to the Company Pension Plan as provided in this Section 6.6(f). Specific procedures for the determination and transfer of pension assets and liabilities to the Company Pension Plan from the Seller Retirement Income Plan for the benefit of Continuing Employees are set forth in Section 6.6(f) of the Disclosure Letter. Upon completion of such transfer of assets and liabilities as described in this Section 6.6(f), the Company and the Company Pension Plan shall be fully responsible for all benefits relating to past service of such the Transferred Pension Plan Participants and none of Seller nor any of its Affiliates shall have any liability whatsoever with respect to the provision of such benefits. Effective as of the Closing Date, the Transferred Pension Plan Participants shall cease to accrue any additional benefits under the Seller Retirement Income Plan.

(g) Seller agrees that it shall pay to each Continuing Employee who is bonus eligible pursuant to Seller's annual incentive plan and sales incentive plans a pro rata portion of his or her annual bonus for the year in which the Closing occurs based on the Continuing Employee's service with Seller and its Subsidiaries prior to the Closing Date, determined in accordance with the terms of Seller's annual incentive plan and sales incentive plans, based upon the actual performance against Seller's plan targets for the full year. Such pro rata annual bonus (if earned) shall be paid at the time that such annual bonus would normally be paid had the Closing not occurred.

(h) Prior to the Closing, Buyer shall cooperate fully with Seller, the Company and the Company Subsidiaries in connection with any effects bargaining with the unions representing any Business Employees. From and after the Closing, Buyer shall cause the Company and the Company Subsidiaries, as applicable, to honor the terms of each CBA in respect of the Continuing Employees covered under such CBA, or recognize each applicable union as the bargaining representative of the applicable group of Continuing Employees, as required by applicable Law.

(i) From and after the Closing, Buyer shall have no liability with regard to, and Seller or one of its Affiliates shall retain all liabilities relating to, any Plan or other program, policy, or similar arrangement of Seller, except with respect to Company Plans or as specifically set forth herein.

(d) Tax Contests. With respect to any Audit with respect to the Company and the Company Subsidiaries or their assets ("Tax Claims") related to a Seller Prepared Return or a Seller Group Return, Seller, at its own expense, shall have the right to control all Tax Claims and may make all decisions taken in connection with such Tax Claims (including selection of counsel and settlement of such Tax Claims), provided that, with respect to Tax Claims relating to any Seller Prepared Returns (other than Seller Group Returns), (x) Buyer will be entitled to participate in any such Tax Claim at its own expense, (y) Seller shall provide Buyer copies of all material written correspondence and other material documents relevant to such Tax Claim, and (z) Seller shall not settle such Tax Claim without the written consent of Buyer, which consent shall not be unreasonably withheld, conditioned or delayed. Buyer, at its own expense, shall control all proceedings attributable to any Tax Claim relating to a Buyer Prepared Return or a tax period beginning after the Closing Date; provided, however, that with respect to any Tax Claim which could reasonably be expected to give rise to an indemnity obligation for Seller Taxes, (x) Seller will be entitled to participate in such Tax Claim at its own expense, (y) Buyer shall provide Seller copies of all material written correspondence and other material documents relevant to such Tax Claim, and (z) Buyer shall not settle such Tax Claim without the written consent of Seller, which consent shall not be unreasonably withheld, conditioned or delayed.

(e) Straddle Period. When it is necessary under this Agreement to allocate Taxes between the portion of a Straddle Period ending on the Closing Date and the portion of a Straddle Period beginning after the Closing Date: (i) in the case of Taxes that are either (x) based upon or related to income or gross receipts or (y) imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible), the allocation shall be determined based on an interim closing of the books as of the Closing; and (ii) in the case of Taxes imposed on a periodic basis with respect to the assets of the Company or the Company Subsidiaries or otherwise measured by the level of any item, the portion allocable to the taxable period ending on the Closing Date shall be the amount of such Taxes for the entire taxable period (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding taxable period), multiplied by a fraction the numerator of which is the number of calendar days in the portion of the taxable period ending on the Closing Date and the denominator of which is the number of calendar days in the entire taxable period.

(f) Cooperation On Tax Matters. The parties shall, and shall cause their respective Subsidiaries to, cooperate fully, as and to the extent reasonably requested by the other, in connection with the preparation, execution and filing of Tax Returns of or with respect to the Company and the Company Subsidiaries and any Audit with respect to Taxes of the Company or a Company Subsidiary. Such cooperation shall include access to records and information which are reasonably relevant to any such Tax Return or Audit, making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder and executing powers of attorney. The parties shall, and shall cause their respective Subsidiaries to, (a) retain all Books and Records with respect to Tax matters pertinent to the Company and the Company Subsidiaries relating to any Pre-Closing Tax Period until the expiration of the applicable statute of limitations, (b) abide by all record retention agreements entered into with any Governmental Entity, and (c) give the other party ninety (90) days' written notice prior to transferring, destroying or discarding any such Books and Records and, if the other party so requests, Buyer or Seller shall, and shall cause their respective Subsidiaries to, allow the other to take possession of such Books and Records. Notwithstanding anything to the contrary in this Agreement, Seller shall not be required to provide to any Person, before, on or after the Closing Date, any right to access or to review any Tax Return or Tax work papers of Seller or any Affiliate of Seller (including any income Tax Return for a consolidated group of which Seller is a member).

(g) Tax Sharing Agreements. Seller shall cause any and all existing Tax Sharing Agreements between the Company or any Company Subsidiary, on the one hand, and Seller or any of its Affiliates (other than the Company or a Company Subsidiary), on the other hand, to be terminated prior to as of the Closing and, from and after the Closing, for neither the Company nor any Company Subsidiary to have any rights, obligations or liabilities thereunder.

(h) Indemnification. Except to the extent (i) covered under the R&W Insurance Policy, (ii) taken into account in the calculation of Net Purchase Price, or (iii) attributable to (A) any action taken by Buyer on the Closing Date after the Closing outside of the ordinary course of business (and not expressly contemplated by this Agreement), or (B) a breach of any of Buyer's covenants in this Agreement, Seller hereby indemnifies Buyer against, and agrees to hold it harmless from, any and all Seller Taxes.

(i) Tax Election. Seller shall make a valid and timely election under (i) Treasury Regulations Section 1.1502-36(d)(6)(i)(B) to reattribute all of the Company's or any Company Subsidiary's net operating loss carryovers to Seller and (ii) Treasury Regulations Section 1.1502-36(d)(6)(i)(A) to reduce Seller's basis in the Shares by the "attribute reduction amount" (as defined in Treasury Regulations Section 1.1502-36(d)(3) and giving effect to the election described in clause (i) hereof) so as to avoid any reduction in the Company's Tax attributes.

7.2 Appropriate Action; Consents; Filings.

(a) Upon the terms and subject to the conditions set forth in this Agreement (including, without limitation, those set forth in this Section 7.2), Buyer and Seller shall each use their respective reasonable best efforts to promptly (i) take, or to cause to be taken, all actions, and to do, or to cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement; (ii) obtain from any Governmental Entities any actions, non-actions, clearances, waivers, consents, approvals, permits or Orders required to be obtained by Buyer, Seller or any of Buyer's Subsidiaries in connection with the authorization, execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby; (iii) make all necessary registrations and filings, and thereafter make any other required submissions, with respect to this Agreement required under the HSR Act and under any other applicable Law; (iv) avoid the entry of, or have vacated or terminated, any Order that would restrain, prevent or delay the Closing, including, without limitation, defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby; and (v) execute and deliver any additional instruments necessary to consummate the transactions contemplated by this Agreement. No party to this Agreement shall consent to any voluntary delay of the consummation of the transactions contemplated by this Agreement at the behest of any Governmental Entity without the consent of the other parties to this Agreement, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) In furtherance of the foregoing, to the extent not filed prior to the date hereof, the parties hereto shall cooperate with each other and shall use their respective reasonable best efforts to (i) file required Notification and Report Forms under the HSR Act with the United States Federal Trade Commission and the United States Department of Justice and (ii) obtain those Consents of Governmental Entities set forth in Section 4.5(b)(ii) of the Disclosure Letter, in each case, as soon as practicable following the date of this Agreement, but in no event later than five (5) Business Days from and after the date hereof, and shall respond as promptly as practicable to all requests or inquiries for additional documentation or information that may be requested pursuant such filings. Buyer will pay all filing fees to any Governmental Entity in connection with any required Consent of any Governmental Entity.

(c) Notwithstanding Section 7.2(a), (i) without the prior written consent of Buyer, Seller shall not take, or agree to take, any action that would be binding on the Company or any Company Subsidiary after the Closing, (ii) without the prior written consent of Seller, Buyer shall not take, or agree to take, any action that would be binding on the Company or any Company Subsidiary prior to the Closing.

(d) Without limiting this Section 7.2, Buyer agrees to take any and all steps and to make any and all undertakings necessary to avoid or eliminate each and every impediment under any antitrust, merger control, competition, or trade regulation Law that may be asserted by any Governmental Entity with respect to the transactions contemplated by this Agreement so as to enable the Closing to occur as soon as reasonably possible, including, without limitation, proposing, negotiating, committing to, and effecting by consent decree, hold separate order, or otherwise, the sale, divestiture, licensing, or disposition of such assets or businesses of Buyer (or its Subsidiaries or other Affiliates), the Company or any Company Subsidiary, or otherwise taking or committing to take actions that limit Buyer's or its Subsidiaries' or Affiliates' freedom of action with respect to, or their ability to retain, any of the businesses, product lines, or assets of Buyer (or its Subsidiaries or other Affiliates), the Company or any Company Subsidiary, in each case, as may be required in order to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order, or other order in any suit or proceeding that would otherwise have the effect of preventing or delaying the Closing.

(e) Subject to applicable legal limitations and instructions of any Governmental Entity, each party to this Agreement shall promptly notify the other party of any written communication it or any of its Affiliates receives from any Governmental Entity relating to the matters that are the subject of this Agreement and permit the other party a reasonable opportunity to review in advance any proposed substantive communication by such party to any Governmental Entity. To the extent practicable under the circumstances, none of the parties to this Agreement shall agree to participate in any substantive meeting with any Governmental Entity in respect of any filings, investigation (including any settlement of the investigation), Litigation or other inquiry unless it consults with the other party in advance and, where permitted, allows the other party to participate. Subject to applicable legal limitations and instructions of any Governmental Entity, the parties to this Agreement will: (i) coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with its communications with any Governmental Entity, (ii) provide each other with copies of all written correspondence, filings or communications between them or any of their representatives, on the one hand, and any Governmental Entity or members of such Governmental Entity's staff, on the other hand, with respect to this Agreement and the transactions contemplated by this Agreement and (iii) prior to submitting any substantive and material written communication to any Governmental Entity, permit the other parties and their counsel a reasonable opportunity to review in advance, and consider in good faith the views of the other party provided in a timely manner, in connection with, any such communication; provided, however, that materials may be redacted as necessary (x) to comply with contractual obligations or restrictions, (y) to address reasonable attorney-client or other privilege or confidentiality concerns, and (z) to protect the confidentiality of competitively sensitive information.

(f) Without limiting this Section 7.2, each of the parties hereto shall use their respective reasonable best efforts to obtain all material Consents required to be obtained by such party from any third party (other than any Governmental Entity to the extent otherwise addressed in this Section 7.2) prior to the Closing in connection with the consummation of the

transactions contemplated by this Agreement. Notwithstanding the foregoing, neither Seller nor the Company or the Company Subsidiaries shall have any obligation to pay any material fee to any such third party for the purpose of obtaining any such Consent or any costs or expenses of any such third party resulting from the process of obtaining such Consents.

7.3 Public Announcements. From the date hereof through the Closing Date, neither Buyer, on the one hand, nor Seller, the Company or the Company Subsidiaries, on the other hand, shall issue any public report, statement, press release or otherwise make any public statement regarding this Agreement or the transactions contemplated hereby, without the prior written consent of Buyer and Seller, unless otherwise required by applicable Law, in which case such party shall coordinate and consult with the other party with respect to the timing, basis, scope and content before issuing any such report, statement or press release; provided that the immediately preceding obligations to coordinate and consult with the other party shall apply equally to any public report, statement or press release required by applicable Law to be made after the Closing Date in connection with the Transaction, it being understood that to the extent any disclosure is substantially consistent with disclosure that has been previously been reviewed by the other party, such disclosure shall not require further review.

7.4 Retention and Access to Records.

(a) For a period of seven (7) years following the Closing, or such longer period as may be required by applicable Law (including any statutes of limitations), Buyer shall, and shall cause its Affiliates to, retain all Books and Records relating to the operations of the Business, the Company and the Company Subsidiaries prior to Closing; provided, that Buyer may dispose of any such Books and Records during such seven (7) year period if the same are first offered in writing to Seller and not accepted by Seller within forty-five (45) days of such offer. Upon written request delivered to Buyer, Buyer shall, and shall cause the Company, the Company Subsidiaries and Buyer's Affiliates (with respect to the Business) to, afford to Seller and its Representatives reasonable access during regular normal business hours to the properties, books and records and employees of the Company, the Company Subsidiaries and Buyer's Affiliates (with respect to the Business) to the extent necessary to prepare or defend any judicial or administrative proceeding related to the Business, or to enable Seller and its Representatives to satisfy Seller's and its Affiliates' financial reporting and Tax planning and preparation obligations or to assist Seller and its Affiliates in pursuing any Tax Claims; provided, that neither Buyer, the Company nor any Company Subsidiary shall be required to take any action which would reasonably be expected to constitute a waiver of attorney-client privilege or attorney work product; provided, further, that in the case of the foregoing proviso Buyer shall notify Seller in reasonable detail of the circumstances giving rise to such privilege and cooperate with Seller and use commercially reasonable efforts to provide for information or access in a manner that does not jeopardize such privilege.

(b) For a period of seven (7) years following the Closing, or such longer period as may be required by applicable Law (including any statutes of limitations), Seller shall, and shall cause its Affiliates to, retain all Books and Records concerning the operations of the Business, the Company and the Company Subsidiaries prior to Closing (for the avoidance of doubt, all operational Books and Records shall have been retained by the Company); provided, that Buyer may dispose of any such Books and Records during such seven (7) year period if the

same are first offered in writing to Buyer and not accepted by Buyer within forty-five (45) days of such offer. Upon written request delivered to Seller, Seller shall afford to Buyer and its Representatives such Books and Records to the extent necessary to prepare or defend any judicial or administrative proceeding related to the Business, or to enable Buyer and its Representatives to satisfy Buyer's and its Affiliates' financial reporting and Tax planning and preparation obligations or, if applicable pursuant to the terms of this Agreement, to assist Buyer and its Affiliates in pursuing any Tax Claims; provided, that Seller shall not be required to take any action which would reasonably be expected to constitute a waiver of attorney-client privilege or attorney work product; provided, further, that in the case of the foregoing proviso Seller shall notify Buyer in reasonable detail of the circumstances giving rise to such privilege and cooperate with Buyer and use commercially reasonable efforts to provide for information or access in a manner that does not jeopardize such privilege.

7.5 Termination of Affiliate Transactions. Except as set forth on Section 7.5 of the Disclosure Letter, on or prior to the Closing Date, Seller shall terminate, cancel, extinguish, discharge and/or pay in full, or cause to be terminated, cancelled, extinguished, discharged and/or paid in full, all contracts required to be listed on Section 4.13 of the Disclosure Letter without any surviving obligation or further liability upon termination.

7.6 Special Indemnity.

(a) From and after the Closing, Seller will indemnify and hold harmless Buyer, the Company, the Company Subsidiaries and their respective Affiliates from and against any and all duties, penalties, fines or other charges and all associated costs and reasonable and documented out-of-pocket expenses (including reasonable and documented attorneys' fees), arising out of or respect to the matter set forth on Section 7.6 of the Seller Disclosure Letter (the "Special Indemnity Matter").

(b) Seller shall have the right to elect to defend and control the defense of the Special Indemnity Matter utilizing legal counsel reasonably acceptable to Buyer; provided, however, that (i) Seller may effect a settlement of such matter only with Buyer's consent (not to be unreasonably withheld conditioned or delayed), (ii) in no event shall such settlement involve any injunctive relief binding upon Buyer, the Company or any Company Subsidiary and (iii) any such settlement must expressly and unconditionally release Buyer, the Company, the Company Subsidiaries and each of their respective Affiliates from all liabilities with respect to the Special Indemnity Matter without prejudice.

(c) If Buyer, the Company or a Company Subsidiary receives a refund or payment from the Federal Government of the United States as a result of the Special Indemnity Matter, Buyer will promptly (and in no event later than fifteen (15) days) remit to Seller such refund or payment.

7.7 Further Assurances. From time to time, as and when requested by any party hereto and at such requesting party's expense, the other party hereto shall execute and deliver, or cause to be executed and delivered, all such documents and instruments as the requesting party may reasonably deem necessary or desirable to evidence and effectuate the transactions contemplated by this Agreement on and upon the terms and subject to the conditions hereof.

ARTICLE VIII

CLOSING CONDITIONS

8.1 Conditions to Obligations of Each Party Under This Agreement. The respective obligations of each party to consummate the transactions contemplated hereby shall be subject to the satisfaction, at or prior to the Closing, of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by applicable Law, by Buyer and Seller in writing:

(a) No Order. No Governmental Entity, including any federal or state court of competent jurisdiction, shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, executive order, or other Order (whether temporary, preliminary or permanent) which is in effect and which has the effect of making the transactions contemplated hereby illegal or otherwise restrains the performance by Buyer, Seller, the Company or any Company Subsidiary of their respective obligations under this Agreement.

(b) HSR Act. The applicable waiting period under the HSR Act shall have expired or been terminated.

8.2 Additional Conditions to Obligations of Buyer. The obligations of Buyer to consummate the transactions contemplated hereby are subject to the satisfaction at or prior to the Closing of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by applicable Law, by Buyer:

(a) Representations and Warranties. The representations and warranties of Seller contained in this Agreement, other than the Fundamental Representations of Seller, shall be true and correct as of the date of this Agreement and at and as of the Closing with the same force and effect as if made at and as of the Closing (other than those representations and warranties that address matters only as of a particular date or only with respect to a specific period of time, which need only be true and correct as of such date or with respect to such period), except where the failure of such representations and warranties to be true and correct (without giving effect to any “materiality” or “Material Adverse Effect” qualifiers set forth therein) would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect. The Fundamental Representations of Seller contained in this Agreement shall be true and correct in all material respects except for the representations and warranties in (i) the first sentence of Section 4.3(a), which shall be true and correct in all respects and (ii) Section 4.4, which shall be true and correct in all but *de minimis* respects, in all cases, as of the date of this Agreement and at and as of the Closing with the same force and effect as if made at and as of the Closing (other than those Fundamental Representations of Seller that address matters only as of a particular date or only with respect to a specific period of time, which need only be true and correct in all material respects as of such date or with respect to such period). Buyer shall have received a certificate of a duly authorized officer of Seller as to the satisfaction of this Section 8.2(a).

(b) Agreements and Covenants. Seller, the Company and the Company Subsidiaries shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it at or prior to the Closing. Buyer shall have received a certificate of a duly authorized officer of Seller to such effect.

(c) Consents. The Company has obtained executed, written consents or waivers of the third party set forth in Section 8.2(c) of the Disclosure Letter.

(d) Assignment. Seller has caused the assignment of those items set forth in Section 8.2 (d) of the Disclosure Letter to the Company or any Company Subsidiary.

8.3 Additional Conditions to Obligations of Seller. The obligations of Seller to consummate the transactions contemplated hereby are subject to the satisfaction at or prior to the Closing of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by applicable Law, by Seller:

(a) Representations and Warranties. The representations and warranties of Buyer contained in this Agreement, other than the Fundamental Representations of Buyer, shall be true and correct in all material respects as of the date of this Agreement and at and as of the Closing with the same force and effect as if made at and as of the Closing (other than those representations and warranties that address matters only as of a particular date or only with respect to a specific period of time, which need only be true and correct in all material respects as of such date or with respect to such period). The Fundamental Representations of Buyer contained in this Agreement shall be true and correct in all material respects as of the date of this Agreement and at and as of the Closing with the same force and effect as if made at and as of the Closing (other than those Fundamental Representations of Buyer that address matters only as of a particular date or only with respect to a specific period of time, which need only be true and correct in all material respects as of such date or with respect to such period). Seller shall have received a certificate of a duly authorized officer of Buyer as to the satisfaction of this Section 8.3(a).

(b) Agreements and Covenants. Buyer shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by Buyer on or prior to the Closing Date. ARTICLE IX

TERMINATION

9.1 Termination. This Agreement may be terminated by giving written notice at any time prior to the Closing as follows:

(a) by mutual consent of Buyer and Seller;

(b) by either Buyer or Seller, if there shall be any Order that is final and nonappealable prohibiting the performance by Buyer or Seller of their respective obligations under this Agreement;

(c) by Buyer, (i) at any time on or after May 6, 2019, if the transactions contemplated hereby to occur at the Closing shall not have been consummated for any reason other than the failure of Buyer to comply with any covenant or agreement of Buyer; provided, however, that if the sole reason that the transactions contemplated by this Agreement have not been consummated on or before such date is that the required approval from any Governmental Entity the consent of which is required prior to Closing has not been obtained, then Buyer may not terminate this Agreement pursuant to this Section 9.1(c) until on or after June 6, 2019, or (ii) at any time, if Seller shall have breached or violated any of its representations, warranties or covenants set forth in this Agreement in a manner that would prevent the satisfaction of the conditions to Closing set forth in Section 8.2(a) or Section 8.2(b), and (except in the case of a breach of the obligation to close within two (2) Business Days after the date contemplated in Section 3.1, in which case such two (2) Business Day period shall apply) such breach or violation shall not have been cured within ten (10) days after written notice thereof has been given by Buyer to Seller, provided that Buyer shall not be entitled to terminate the Agreement pursuant to this Section 9.1(c) if the failure of the Closing to be consummated by such date is caused by Buyer's breach of any of its obligations under this Agreement; or

(d) by Seller, (i) at any time on or after May 6, 2019 if the transactions contemplated hereby to occur at the Closing shall not have been consummated for any reason other than the failure of Seller to comply with any covenant or agreement of Seller; provided, however, that if the sole reason that the transactions contemplated by this Agreement have not been consummated on or before such date is that the required approval from any Governmental Entity the consent of which is required prior to Closing has not been obtained, then Seller may not terminate this Agreement pursuant to this Section 9.1(d) until on or after June 6, 2019, or (ii) at any time, if Buyer shall have breached or violated any of its representations, warranties or covenants set forth in this Agreement in a manner that would prevent the satisfaction of the conditions to Closing set forth in Section 8.3(a) or Section 8.3(b), and (except in the case of a breach of the obligation to close within two (2) Business Days after the date contemplated in Section 3.1, in which case such two (2) Business Day period shall apply) such breach or violation shall not have been cured within ten (10) days after notice thereof has been given by Seller to Buyer, provided that Seller shall not be entitled to terminate the Agreement pursuant to this Section 9.1(d) if the failure of the Closing to be consummated by such date is caused by Seller's breach of any of its obligations under this Agreement.

9.2 Effect of Termination. Except as provided in Section 6.4 and Section 10.17, in the event of the termination of this Agreement pursuant to Section 9.1, this Agreement shall forthwith become null and void, there shall be no liability on the part of Buyer or Seller or any of their respective partners, officers, directors, Subsidiaries, Affiliates or Associates to any other party and all rights and obligations of any party hereto shall cease, except that nothing herein shall relieve any party hereto from liability for any material breach of this Agreement or any willful misconduct in connection therewith.

10.2 Non-Survival of Representations and Warranties; Exclusive Remedy.

(a) None of the representations, warranties and pre-Closing covenants in this Agreement or in any schedule, instrument or other document delivered pursuant to this Agreement shall survive the Effective Time or the earlier termination of this Agreement, regardless of any applicable statute of limitations. This Section 10.2 shall not limit any covenant or agreement contained in this Agreement that by its terms is to be performed in whole or in part after the Effective Time, including without limitation any post-Closing adjustments and related covenants contemplated by Section 2.3 hereof or specific indemnification matters pursuant to Section 7.1(h), or the termination of this Agreement.

(b) Anything in this Agreement to the contrary notwithstanding, Buyer agrees that the R&W Insurance Policy shall be the sole and exclusive remedy of Buyer for any inaccuracy, misrepresentation or breach of any representation or warranty contained in this Agreement, except as set forth in Section 7.1(h).

10.3 Amendment. This Agreement may be amended by the parties hereto at any time prior to the Closing; provided, however, that this Agreement may not be amended except by an instrument in writing signed by Buyer and Seller.

10.4 Waiver. At any time prior to the Closing, Buyer and Seller may (a) extend the time for the performance of any of the obligations or other acts of the other party or parties hereto, (b) waive any inaccuracies in the representations and warranties of the other party or parties contained herein or in any document delivered pursuant hereto and (c) waive compliance by the other party or parties with any of the agreements or conditions contained herein. Any such extension or waiver shall be valid only if set forth in a written instrument signed by the party or parties to be bound thereby.

10.5 Headings. The headings and captions contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All references in this agreement to any "Article," "Section," "Schedule" or "Exhibit" are to the corresponding Article, Section, Schedule or Exhibit of or to this Agreement.

10.6 Severability. If any term or other provision of this Agreement, or any portion thereof, is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other terms and provisions of this Agreement, or the remaining portion thereof, shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any such term or other provision, or any portion thereof, is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are consummated to the fullest extent possible.

10.7 Entire Agreement. This Agreement (together with the Schedules and Exhibits attached hereto and the Disclosure Letter), the Equity Commitment Letter and the Confidentiality Agreement constitute the entire agreement of the parties hereto and supersede all prior negotiations, correspondence, agreements and undertakings, both written and oral, between or among the parties, or any of them, with respect to the subject matter hereof. It shall be expressly understood that this Agreement shall govern the transactions contemplated hereby as a whole and that the other documents and agreements to be delivered at Closing shall not be construed as amendments or variations of this Agreement but rather shall be complemented by and interpreted in light of this Agreement. In the event that any provision of any of the other documents and agreements to be delivered at Closing is inconsistent with, conflicts with or contradicts any term of this Agreement, the terms of this Agreement will prevail.

10.8 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, directly or indirectly, by any party hereto without the prior written consent of the other party hereto, provided, however, Buyer may (i) assign this Agreement to an Affiliate, (ii) following the Closing, assign this Agreement to any subsequent acquirer of Buyer or the Business (by merger, consolidation, sale of stock or assets or otherwise) or (iii) pledge or assign its rights hereunder to its debt financing sources or an agent thereof as collateral security in connection with any debt financing; provided, further, that no assignment pursuant to the foregoing clauses (i)-(iii) shall limit Buyer's obligations hereunder or relieve Buyer of any of its obligations hereunder. Notwithstanding the foregoing, (A) no assignee under the immediately preceding clauses (i)-(iii) shall have greater rights than Buyer and (B) Seller shall be able to assert against any such assignee all claims and defenses that could be asserted against Buyer.

10.9 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party hereto and its respective successors and permitted assigns. Nothing in this Agreement, express or implied, shall confer on any Person other than the parties hereto, and their respective successors and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement, including any third-party beneficiary rights, except (a) as set forth in Section 6.5, and (b) that the Retained Firm shall be a third-party beneficiary of Section 10.17 to the extent it applies to the Retained Firm.

10.10 Failure or Delay Not Waiver; Remedies Cumulative. No failure or delay on the part of any party hereto in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement herein, nor shall any single or partial exercise of any such right preclude other or further exercise thereof or of any other right. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

10.11 Specific Performance. Each party hereto acknowledges that money damages would be both incalculable and an insufficient remedy for any breach of this Agreement by such party and that any such breach would cause Buyer, on the one hand, and Seller, on the other hand, irreparable harm. Accordingly, each party hereto also agrees that, in the event of any breach or threatened breach of the provisions of this Agreement by such party, Buyer, on the one hand, and Seller, on the other hand, shall be entitled to equitable relief without the requirement of posting a bond or other security, including in the form of injunctions and orders for specific

performance. Any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy. Seller, on the one hand, and Buyer, on the other hand, hereby agree not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of this Agreement by Seller or Buyer, as applicable, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of Seller or Buyer, as applicable, under this Agreement.

10.12 Governing Law; Jurisdiction Waiver of Jury Trial.

(a) This Agreement shall be governed by the laws of the State of Delaware, its rules of conflict of laws notwithstanding. Each party hereby agrees and consents to be subject to the jurisdiction of the Court of Chancery of the State of Delaware in and for New Castle County, or if the Court of Chancery denies or lacks jurisdiction over such dispute, in any federal court having jurisdiction over the matter situated in New Castle County, Delaware, or, if both the Delaware Court of Chancery and the federal courts within the State of Delaware decline to accept jurisdiction over such particular dispute, any other appropriate state court within the State of Delaware, and, in each case, any appellate court therefrom, in any Action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby. Each party hereby irrevocably consents to the service of any and all process in any such Action by the delivery of such process to such party at the address and in the manner provided in Section 10.1 hereof. Each of the parties hereto irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in the Court of Chancery of the State of Delaware in and for New Castle County, or if the Court of Chancery lacks jurisdiction over such dispute, in any federal court having jurisdiction over the matter situated in New Castle County, Delaware, or, if both the Delaware Court of Chancery and the federal courts within the State of Delaware decline to accept jurisdiction over such particular dispute, any other appropriate state court within the State of Delaware, and, in each case, any appellate court therefrom, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE BREACH, TERMINATION OR VALIDITY OF THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH SUCH PARTY UNDERSTANDS AND HAS

CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.12(b).

10.13 Counterparts. This Agreement may be executed in any number of counterparts, including by means of email in portable document format (.pdf), each of which when executed shall be deemed to be an original copy of this Agreement and all of which taken together shall constitute one and the same agreement.

As used in this Agreement, (a) the word “including” and any variation thereof means “including without limitation” and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it; (b) the word “or” is not exclusive, unless the context otherwise requires; (c) words of any gender include each other gender; (d) words defined in the singular have the parallel meaning in the plural and vice versa; (e) references to “written” or “in writing” include in electronic form; and (f) the terms “hereof,” “herein,” “hereby,” “hereto,” “hereinafter,” “hereunder” and derivative or similar words refer to this entire Agreement as a whole, including the Schedules and Exhibits hereto, and not merely to any particular provision of this Agreement. All references in this Agreement to “dollars” or “\$” shall mean United States Dollars and all payments hereunder shall be made in United States Dollars. All references to “has furnished or made available to Buyer” or “provided to Buyer” (or similar references, and with any correlative word or phrase) means was provided directly to Buyer or its representatives, in either tangible or electronic form, or was made available to Buyer and its representatives in the virtual data room prior to 12:01 a.m. Eastern Time on November 13, 2018 made available for purposes of the transactions contemplated by this Agreement. Accounting terms in this Agreement have the meanings given to them under GAAP, and in any cases in which there exist elective options or choices in GAAP determinations or in which management discretion is permitted in classification, standards, or other aspects of GAAP related determinations, the historical accounting principles and practices of the Company and the Company Subsidiaries shall continue to be applied on a consistent basis. All references to “days” in this Agreement shall mean calendar days except where the defined term “Business Days” is expressly referenced. When calculating the period of time before which, within which or following which any act is to be done or step taken, the date that is the reference date in beginning the calculation of such period shall be excluded (for example, if an action is to be taken within two (2) days of a triggering event and such event occurs on a Tuesday, then the action must be taken by the end of the day on Thursday). If the last day of such period is a non-Business Day, the period in question shall end on the next succeeding Business Day.

10.15 Fees, Expenses and Other Payments. Except as otherwise provided in this Agreement, each party shall bear its own expenses in connection with the transactions contemplated by this Agreement, including costs of their respective attorneys, accountants, investment bankers, brokers and other representatives.

10.16 Non-Recourse.

(a) This Agreement may be enforced only by Buyer against, and any claim, action, suit, or other legal proceeding by Buyer may be brought only against, Seller, and then only as, and subject to the terms and limitations, expressly set forth in this Agreement. Neither Buyer nor any other Person shall have any recourse against any past, present, or future director, officer, employee, incorporator, manager, member, general or limited partner, stockholder, Affiliate, agent, attorney, advisor, or other representative of Seller or of any Affiliate of Seller (including the Company and the Company Subsidiaries prior to the Closing) or any of their successors or permitted assigns (each, a “Seller Non-Recourse Person”), and no such Seller Non-Recourse Person shall have any liability for any obligations or liabilities of Seller under this Agreement or for any claim, action, or proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(b) This Agreement may be enforced only by Seller against, and any claim, action, suit, or other legal proceeding by Seller may be brought only against, Buyer, and then only as, and subject to the terms and limitations, expressly set forth in this Agreement. Neither Seller nor any other Person shall have any recourse against any past, present, or future director, officer, employee, incorporator, manager, member, general or limited partner, stockholder, Affiliate, agent, attorney, advisor, or other representative of Buyer or of any Affiliate of Buyer (including the Company and the Company Subsidiaries following the Closing) or any of their successors or permitted assigns (each, a “Buyer Non-Recourse Person”), and no such Buyer Non-Recourse Person shall have any liability for any obligations or liabilities of Buyer under this Agreement or for any claim, action, or proceeding based on, in respect of or by reason of the transactions contemplated hereby. For the avoidance of doubt, this Section 10.16(b) shall not be construed to limit any recourse of Seller against any Buyer Non-Recourse Person under and pursuant to the terms of the Equity Commitment Letter.

10.17 Certain Legal Representation Matters.

(a) In any dispute or proceeding arising under or in connection with this Agreement or the transactions contemplated by this Agreement, Seller shall have the right, at their election, to retain the firm of Skadden, Arps, Slate, Meagher & Flom LLP (the “Retained Firm”) to represent Seller in such matter and Buyer hereby irrevocably consents to, and waives any conflict associated with, any such representation in any such matter. Buyer acknowledges and agrees that the Retained Firm has acted as counsel for Seller (and its Affiliates), the Company and the Company Subsidiaries in connection with this Agreement. The parties agree that the fact that the Retained Firm has represented Seller, the Company and the Company Subsidiaries prior to the Closing shall not prevent the Retained Firm from representing Seller in connection with any matters involving this Agreement, including any disputes between any of the parties hereto that may arise after the Closing. Buyer and Seller hereby waive any actual or potential conflict of interest relating to the Retained Firm’s representation of Seller in the transactions contemplated by this Agreement.

(b) Buyer, on behalf of itself and its Affiliates (including, after the Closing, the Company and the Company Subsidiaries) and their respective directors, officers, employees, Affiliates, controlling Persons and representatives and their respective successors and assigns, hereby irrevocably acknowledge and agree that all attorney-client communications between, on the one hand, Seller, the Company and/or any Company Subsidiary (and their

respective directors, officers, employees, Affiliates, controlling persons and representatives) and, on the other hand, their counsel, including, without limitation, the Retained Firm, that specifically relate to the negotiation, preparation, execution and delivery of this Agreement or any schedule, exhibit, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions completed hereunder or in connection with the Closing of the transactions contemplated hereby, shall be deemed privileged communications as to which such privilege may only be waived by Seller and neither Buyer nor any Person purporting to act on behalf of or through Buyer will seek to obtain any such privileged communications by any process; provided, however, that any document, contract, agreement or other communication or matter drafted or entered into prior to the date hereof which will remain an asset of the Company or any Company Subsidiary following the Closing, or any portion of the Books and Records, regardless of whether any such document, contract, agreement, communication or other matter was disclosed or served as a schedule, exhibit, certificate or other document delivered hereto or thereto, shall not be privileged communication waivable only by Seller.

10.18 Jointly Drafted. This Agreement is the product of negotiations among the parties hereto, each of which is represented by legal counsel, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement. Rules of construction relating to interpretation against the drafter of an agreement shall not apply to this Agreement and are expressly waived by each party hereto. The parties hereto acknowledge and agree that prior drafts of this Agreement and the other agreements and documents contemplated hereby will not be deemed to provide any evidence as to the meaning of any provision hereof or the intent of the parties hereto with respect hereto and that such drafts will be deemed to be the joint work product of the parties hereto.

10.19 Time of the Essence. Time is of the essence with respect to the transactions contemplated by this Agreement and the other documents and agreements to be delivered at Closing.

Exhibit 99.1

ARMSTRONG FLOORING ANNOUNCES AGREEMENT TO SELL ITS WOOD FLOORING SEGMENT AND COST OPTIMIZATION PLAN

- Sale Price of \$100 million Valued at Approximately 7.2 Times the Wood Flooring Segment's Trailing Twelve Month Adjusted EBITDA
- Cost Optimization Plan to Simplify Operations Following Divestiture
- Divestiture and Cost Optimization Plan Immediately Accretive to Adjusted EBITDA Margin from Continuing Operations
- Strengthens Focus on Growing Resilient Flooring Segment

Lancaster, PA, November 15, 2018. Armstrong Flooring, Inc. (NYSE: AFI) ("Armstrong Flooring" or the "Company") has entered into a definitive agreement to sell its Wood Flooring segment to an affiliate of American Industrial Partners ("AIP") for a purchase price of \$100 million, subject to customary adjustments for working capital, debt, and other matters. The transaction is valued at approximately 7.2 times the Wood Flooring segment's trailing twelve month Adjusted EBITDA. As of October 31, 2018 Armstrong Flooring's Wood Flooring segment comprised six U.S. manufacturing facilities primarily serving the North American region and approximately 1,700 employees. The transaction, which is subject to customary closing conditions, is expected to be completed at the end of the fourth quarter of 2018. The net proceeds to the Company from the transaction after purchase price adjustments are non-taxable and expected to be \$85 to \$90 million, which should increase the Company's flexibility to further invest in its growth strategies and other value-enhancing opportunities.

Upon closing of the sale, Armstrong Flooring will intensify its focus on the fastest-growing parts of the flooring industry, including Luxury Vinyl Tile ("LVT") and rigid core, as well as its wide range of resilient products including Vinyl Composition Tile and resilient sheet. AIP will gain Armstrong Flooring's high-quality wood flooring product portfolio and existing network of wood floor manufacturing facilities, staffed by an experienced wood flooring team. AIP will own the Bruce brand and all other Wood Flooring segment brands. To ensure a seamless transition for customers, AIP will have full access to the Armstrong Flooring brand for the sale of wood products for two years after closing.

Don Maier, Chief Executive Officer, commented, "Today's announcement demonstrates our commitment to maximizing shareholder value and focusing our portfolio on profitable growth strategies. The wood flooring industry has been impacted by changing market dynamics and now is the right time to deepen our focus on LVT and other resilient flooring categories, where we are confident fundamentals remain strong for future growth."

Rick Hoffman, Partner at AIP, said, "Don and I believe this strategic decision empowers both the resilient and wood flooring businesses to better realize their core strengths and pursue strategies for growth, product innovation and quality, and exceptional service to customers. Our companies look forward to working closely with each other to ensure a seamless transition for employees, customers and suppliers."

Additional Details on 2018 Outlook

The Company previously provided its Adjusted EBITDA outlook for the full year 2018 in the range of \$72 million to \$78 million. The segment level contribution to the full year Adjusted EBITDA outlook is unchanged. On the current basis of presentation, Adjusted EBITDA for the Resilient Flooring segment is expected to be \$59 million to \$63 million for the full year 2018. Starting in the fourth quarter 2018, the Wood Flooring segment is expected to be classified as a Discontinued Operation.

In connection with the divestiture of its Wood Flooring segment, some shared costs currently allocated to the Wood Flooring segment are expected to be assigned to the Resilient Flooring segment. As a result, the Company announced a cost optimization plan to improve its existing cost structure by eliminating essentially all shared costs that will not be covered by transition service agreements with AIP. The new structure is expected to better reflect the simplification of the Company's operations as a purely resilient flooring company. The Company expects these efforts to generate annualized savings of approximately \$5 million to \$6 million and to be substantially completed by the end of the fourth quarter of 2018, concurrent with the closing of the divestiture transaction. In connection with these actions, the Company expects to incur one-time charges of \$1 million to \$2 million in the fourth quarter. These charges relate primarily to severance expenses. By the end of 2018, the Company expects to offset the impact of essentially all shared costs reassigned to the Resilient Flooring segment through the benefit of its cost optimization plan, along with transition service agreements with AIP.

Mr. Maier stated, "The divestiture and related cost optimization are additional steps in our ongoing plan to streamline our organization and deliver on our strategic priorities to innovate products, elevate our operating performance and drive further success. With a pure-play resilient flooring company, we will be better positioned than ever to continue growing Adjusted EBITDA and margin from continuing operations."

Goldman Sachs is acting as financial advisor to Armstrong Flooring on the transaction and Skadden, Arps, Slate, Meagher & Flom LLP is acting as legal counsel.
